

KEEPING YOU SAFE AND PROTECTED

Creating environments free from accident, harm and ill health by improving knowledge, understanding and practices through H&S consulting and training.

Hello and welcome to our Summer Term newsletter for schools and academies.

At ENSURE, our customers are at the heart of everything we do, valuing and developing their systems and personnel to help build a platform for sustainable growth.

We consider ourselves very lucky to have such a loyal customer base, spread across many sectors.

From the outset there have been a number of things that have been especially important to us, this includes:

- providing great customer service
- delivering high quality training
- providing a great place to work

We are delighted to have been able to provide support to schools across Cheshire East and beyond throughout what has been a very difficult period for everyone. We would like to thank each and every one of you for your support to date.

To help you plan ahead, please find details below of the open courses we have scheduled to run at our training room in Nantwich up until Christmas.

Alternatively, we can happily come to your setting to deliver training for a number of your colleagues, if you prefer. Our diary is open and we are taking bookings for on-site training during 2022, INSETs and Twi-lights can be accommodated.

Kindest regards, Adi and Annette

OUR ACCREDITATIONS AND MEMBERSHIPS INCLUDE:

Our training room is subject to a rigorous Risk Assessment and formal Safe System of Work. These include things such as specific entrance/exit for different users of the building, hand-washing regimes, sanitiser stations, floor coverings/mats, cleaning regimes for equipment used and the training room itself, revised training protocols to avoid touching, and so on. The room will be well ventilated at all times.

We are working in line with Government and Public Health England guidelines, adopting all sorts of measures to keep our staff and our customers safe.

- Upon arrival, temperature checks are carried out on trainers and delegates
- Delegates and trainers sign a Covid 19 Declaration each day they are on site
- Individual learning stations are provided
- Learners will have their own equipment
- Facemasks will be worn whenever delegates are not sitting at their work stations
- Hand sanitiser to be used upon entry to the training room
- Refreshments/Tea/coffee will only be made and handed out by Ensure staff

Before your colleagues attend a training session with us, information will be forwarded for them so that they know what to expect with regards to Covid 19 whilst they are with us.

“One earnest worker can do more by personal suggestion to prevent accidents than a carload of safety signs.”

Making Paper, E. R. Brown

FIRE RISK ASSESSMENTS

The sole piece of legislation for fire safety issues, The Regulatory Reform (Fire Safety) Order 2005 came into force in October 2006. Under the Reform Order, the “responsible person” for the premises must carry out a Fire Risk Assessment. This will identify what you need to do to prevent fire and keep people safe.

One of our fully qualified Fire Risk Assessors can complete your annual Fire Risk Assessment in line with the Regulatory Reform (Fire Safety) Order 2005. The areas we cover are:

- Identifying sources of ignition, fuel and oxygen
- Identifying who could be harmed
- Assessing precautions and escape routes
- Viewing inspection records
- Identifying relevant cost-effective precautions to control and reduce risks.

A detailed report of our findings is provided.

Once in place a Fire Risk Assessment affords you peace of mind knowing that your premises and those within it are safe. Moving forwards, Ensure will assist in guiding you to rectify anything that is highlighted as a necessary action on the report. Ensure are then on hand to review annually, or sooner should it be deemed necessary, for example if anything changes.

For more information email

info@ensuresafetytraining.co.uk or call 0794 999 2342

FIRE WARDEN TRAINING

Schools should appoint an Emergency Controller; someone who has attended a Fire Warden/ Marshal course and who has responsibility for all aspects of fire safety. For example, there should be Fire Wardens/ Marshalls who are responsible for specific areas of the premises e.g. the kitchen area, staff area, office, assembly point. Additionally, all school staff should receive Fire Safety awareness training to enable them to assist with the safe evacuation of pupils in an emergency.

Topics covered on our Fire Warden course include:

- fire triangle
- role of a fire warden
- hazards of the workplace
- raising the alarm
- evacuation
- designated persons
- collating information
- fire extinguisher classification
- extinguisher practical session

We have courses running on:

Wednesday 2nd June 1.30pm- 4.30pm / Monday 19th July 1.30pm- 4.30pm

(more dates will be announced shortly) £70+VAT pp

(includes light refreshments, handbook & M certification, valid for 3 years)

Alternatively, we can deliver sessions at your setting, Twi-lights and INSETS can be accommodated.

Paediatric First Aid

Duration: 2 days – 9am-4pm

Price: £130 (+VAT) per person

Candidates will receive Paediatric First Aid handbook and certification via our awarding body, Highfield Qualifications.

This qualification includes topics that are regarded by the EYFS as being important to maintain good practice in the safe, prompt and effective treatment of injuries and ill health of infants and children who are under the care of the trained personnel.

We have PAEDIATRIC FIRST AID courses running at our training room on:

Wednesday 26th & Thursday 27th May

Monday 5th & Tuesday 6th July

Thursday 16th & Friday 17th September

Wednesday 13th & Thursday 14th October

Monday 8th & Tuesday 9th November

Wednesday 15th & Thursday 16th December

Considering your part time staff/ periods of absence and staff on trips for example, do you have enough staff trained in Paediatric First Aid?

Alternatively, we can happily come to your setting to deliver training for a number of your colleagues, if you prefer. Our diary is open and we are taking bookings for on-site training during 2022, INSETs and Twi-lights can be accommodated.

If you would like to discuss your H&S or training requirements, please don't hesitate to get in touch, we're always happy to chat through your requirements. For many of our clients we sit down with them, every 6 months or so, and go through their training matrix, helping them to find the most suitable courses for their colleagues, ensuring that no-one slips through the net. If you'd like to arrange for us to come along and do this with you, please do let me know and we can arrange a slot to suit you.

Kindest regards, Annette
